Frequently Answered Questions

Is SSC going to have regular season starting in the Fall?

SSC is planning for regular operations during the Fall of 2020. We are working closely with State and National governing youth soccer organizations including US Club, ECNL-R, Florida Club League, and FYSA among others, on scheduling our regular season competitions.

In early June, the City of Coral Springs re-opened parks and we were able to start getting back to playing soccer and began player evaluations for the 2020-21 Season. Coaches began hosting smaller group assessments for tryouts and recently we are conducting voluntary training and on-going evaluations based on the latest health and governmental guidelines. We have published our "return to play" guidelines for players, parents and coaches, as well as provide on-line interactive COVID resource library and training classes for players and parents.
